Welcome! On behalf of Calvary Baptist Church in Washington, D.C., it is our great joy to welcome you to our sacred space for the 2017 Pride Interfaith Service. We are a congregation founded by abolitionists in 1862 and committed to social justice. With every new year, we are bend the moral arc of the universe toward justice through faith and action. Recently our Sunday service was disrupted by hatred and homophobia, another Sunday our Black Lives Matter sign was vandalized and still we move forward committing to be a part of the Sanctuary Movement. Together, with the help of all that is good within us, we will continue to Reveal! Respect! Resist!
