THE DC CENTER ARTS PROGRAMMING

The DC Center's Arts Program was created to entertain, educate, and inspire our community by presenting the best in international, national, and local LGBT arts to Washington, DC. We strive to enrich and encourage the sense of community by presenting culturally diverse artistic expression in the areas of Art, Film, Poetry, Writing, and the Theater Arts!

OUTWRITE

OUTWRITE is a celebration of LGBT Literature. The weekend is full of book readings, writing workshops, book discussions, poetry readings and more. Several LGBT book publishers regularly exhibit at OutWrite.

The DC Center's Center Arts Gallery

The DC Center's Center Arts Gallery Features All Genres of Art created by LGBTQ Artisans. Every quarter Center Arts Gallery celebrates the talent and vision of local LGBTQ creatives with an opening reception at the beginning of their quarterly installation.

DC Queer Theater Festival

Fall/Winter

Founded in 2012, the DC Queer Theatre Festival is dedicated to unleashing and celebrating the underrepresented voices and diversity of our artists, audiences, and area. By featuring new plays with themes relevant the community, to the DC area and local artists with roots in the DC Queer Theatre Festival combines quality theatre with activism and charity.
